We Can Make  
a Difference**

Dear Trinity Friends and Family,

We hope and pray that you and your family had a wonderful summer. We are off to a great 2016-17 school year and are enthusiastic about the future. Our school is growing and improving every year thanks to the investment and support of families like yours. We have been praying our Trinity family and community's eyes would be opened to see Trinity as a ministry rather than a business or for-profit organization. Please let us encourage you by affirming that your time, prayers, and financial support are true gifts and blessings both to Trinity and to the Lord.

Enclosed are three major areas in which our school is in need of your financial support:

- **Annual Fund** – charitable contribution that bridges the gap between income and the actual cost of educating students each year. The Annual Fund helps to preserve and improve excellence at Trinity while keeping tuition increases at their lowest possible level. It also ensures that, as our “Family” continues to grow, so do the resources to serve it.
- **Capital Campaign** – charitable contribution toward capital projects. The current campaign focuses on our “Building for the Future,” a multi-purpose facility for our students. This building seeks to continue to develop Trinity to its fullest potential.
- **Georgia GOAL Scholarship Program** – By contributing to the program for a 100% tax credit, you can put a portion of your tax dollars toward education and keep it local by designating that those dollars be used to provide scholarships at Trinity for those families that seek Christian education and need financial assistance.

Please spend time in prayer, asking the Lord to guide you as you consider the direction and the scope of your gifts this year.

**“Give generously to them and do so without a grudging heart; then because of this the LORD your God will bless you in all your work and in everything you put your hand to.”  
Deuteronomy 15:10**

We are all in this together...“Every One – Every Year – Every Family,” we can make a difference in the lives of OUR students by being fully committed to the TCS family.

Blessings,
