

TRINITY CHRISTIAN SCHOOL Athletic Booster Club

June 2018

Calling All Crusader Supporters and Families

Preparations are underway for another exciting year of Trinity Christian School athletics. Our new Multi-Purpose Facility is open and being utilized to greatly enhance the experience of our students through sports, physical education, recess, and fine arts. It is only with support from our community and friends that we can continue to provide quality athletic programs for our student-athletes. Since beginning these athletic programs, the Crusaders have won a total of 46 GISA State Team Championships in 12 different sports as well as 101 Region team titles. Competing in both the AA and AAA classifications, Trinity has won the Region All-Sports award 19 times. During the 2017-18 school year, the Lady Crusaders were Region Team Champions in Cross Country. The Crusaders were Region Team Champions in Cross Country and Track & Field. They were also State Team Champions in Track & Field for an amazing sixth year in a row! TCS will continue to compete in the AAA classification for the upcoming 2018-19 school year.

In cooperation with the Athletic Department, the TCS Booster Club helps to fund and support **ALL** athletic programs through annual contributions to *operating expenses* and *capital projects*. Contributions to *operating expenses* have been \$36,000 annually for twelve consecutive years. We have also been able to accomplish numerous *capital projects* to provide better facilities and equipment for our student-athletes. Some of these projects have been weight room flooring, baseball batting cages, field maintenance, ice machines, football field scoreboard, funding for elementary playground equipment, multi-year support of the Claude Graham Athletic Complex, upgrades to the football stadium and track, and a pole vault mat. More recently, computer software with team e-subscriptions such as HUDL, upgraded weight room equipment, equipment for new indoor batting cages, half the cost of a new mower, discus cage, along with windscreens and resurfacing for our tennis courts were provided through the efforts of Booster Club supporters. The Booster Club also fulfilled it's second installment of a five year pledge of \$20,000 annually toward the new Multi-Purpose Facility. These projects illustrate how your efforts and partnership with our Booster Club are instrumental in making Trinity athletics thrive at all grade levels.

Once again, we are offering a variety of "Crusader Club" memberships that are a great way for you to show your support. Enclosed are the 2018-19 Membership Contract and Advertising Contract as well as a copy of your last year's Media Guide advertisement, if applicable, for you to review.
