Accreditation Update

In preparation for the upcoming 5-year accreditation review during the 2019-20 school year, parents and alumni will be invited to participate in a survey to help our school leadership to understand the relationship between the *value* our stakeholders place on a variety of characteristics and the perceived *performance* of the school at delivering on the characteristics. We encourage you to take part in this survey when you receive it this spring.

AUCTION RAFFLE TICKETS WILL BE DIFFERENT THIS YEAR
