2021-22 Priority Registration Information

January 2021

Dear Trinity Family:

As we look forward to the upcoming school year, we also anticipate a great finish to the current one. We are pleased to be providing you with a Registration Form and information for the 2021-22 school year.

In accordance with the long-range plan approved by our Board of Directors, there will be a 2% tuition increase for 2021-22. The enclosed Fee Schedule gives details; please note unchanged rates for Registration and Sustaining Fees.

As always, we strive for excellence in the academic, spiritual, and extra-curricular opportunities provided to our students, and we sincerely appreciate the confidence you've demonstrated in choosing Trinity for your family.

After reviewing the enclosed information, please return the Registration Form promptly to ensure your child's place for 2021-22.

Sincerely,

Stan Couey
Headmaster

Remember our Parent-Student Handbook states on page 8: "Accounts must be current in order to...register students for the following school year."

Priority Registration February 1-28

**Open Registration for New Families Begins March 1
(Registration for K4 Is Open Year-Round)**

Act quickly to secure your child's place by returning the enclosed Registration Form with the appropriate Registration Fee.

Be mindful of the potential for class closings as experienced in the past. Only those returning students who register by February 28 are guaranteed a space.

Current families with children who will be first-time Trinity students next year should contact the Admissions Office for a Student Application. The application process includes submission of the completed Student Application, a \$50 Application Fee, and other required documents.

Financial Aid Availability

Trinity continues to offer a Financial Aid program with the desire that no family be hindered from sharing in the Trinity experience solely because of financial need. All types of assistance (GOAL Scholarship, Pastor Partnership, and Tuition Assistance) require the submission of a completed Financial Aid Application. Renewal applications will be mailed within the next two weeks to families currently receiving assistance. For first-time requests, applications are available in the office.

TCS Kids' Club

Trinity offers an after-school program for registered students. These limited spots will be filled upon availability with current year participants receiving the first opportunity upon enrollment for the upcoming school year. Kids' Club applications are available in the office.

Annual Sustaining Fee

An \$800 Annual Sustaining Fee is assessed to each family to help bridge the gap between tuition and the actual cost of educating a child. The fee is payable in two \$400 increments, with the first due on December 1st and the second on May 1st. Any opportunities to offset the Sustaining Fee will be announced as they become available.
