

INFORMATION & ANNOUNCEMENTS

PRAAYER • PERSEVERANCE • PURPOSE

- **Prayer for Our Children** – In light of current health considerations, we will not gather for group prayer times traditionally held on the first two days of school. We will certainly be praying at school and know that parents, grandparents, and others who care for our students will be praying as well. We encourage all families to make it a matter of daily practice to pray for our students and our school.
- **Chapel Services** – The Trinity chapel services are special. Typically, Middle School/High School chapel will be held on Wednesday afternoons at 1:05 and Elementary on Wednesday at 8:30, with Kindergarten Chapel on Friday mornings. **The first anticipated MS/HS chapel of the 2020-21 school year will be Wednesday, August 19, at which time chapel dress will be required of all Middle School and High School students. Chapel services will be modified to allow for health guidelines to be observed.**
- **Main Entrance** – The main entrance is located by the Trinity Christian School sign. Please use this gate for 3rd through 12th grade traffic. The entrance for Kindergarten through 2nd grade will be the fourth gate on the right as you approach from Trinity Road. (A traffic flow diagram is on page 10 of the Parent-Student Handbook.) Please avoid parking on the grass in front of the school buildings. **As noted in previous correspondence, while health conditions warrant temperature checks, we will be taking students' temperatures as they arrive. Parents will wait to verify before leaving their child(ren).**
- **Parking Information** – The diagonal parking in front of the Administration and Media Center Building is for parents and visitors who are coming to the school for appointments and visits. **Please leave the drive area open during school hours.**
- **School Office** – Please enter the school office at the front door located between the flag poles. Please refrain from entering the school office through any other door.
- **Lunchroom** – The website includes current lunchroom information, and monthly menus will also be posted.
- **Visitors** – **Please help us keep our campus secure and safe according to health guidelines by reporting to the school office upon your arrival.**
- **Supply List** – The 2020-21 school supply list is available on the website and in the school office upon request.
- **Summer Reading List** – Students in grades 6-12 should complete the required summer reading. The grade-specific lists are available on the website and in the school office.
- **Academic Calendar** – The one-page 2020-21 Academic Calendar is available on the website and in the school office upon request. A regularly-updated twelve-month calendar is also available on the website.
- **Athletic Photos** – Monday, August 3, starting at noon – Varsity Fall Athletic Team/Individual Photos
Media Guide Senior Photos
Wednesday, August 28 after school – Elementary and Middle School
Fall Athletic Team/Individual Photos
