Food Allergies: Parents will provide a list of their children's food allergies and give to the lunchroom staff if needed. Parents are welcome to check food labels, ingredients, etc...

Lunchroom Payments: The lunchroom operates as an automated debit accounting system. Each Trinity family has a lunchroom account. Money is to be paid into the account in advance so that every child in the family may debit from that account at lunch, break, and for snack items. Parents who do not want their children to debit against their account for particular items or want to pay cash daily should contact the lunchroom. One check may be written for all children in the family, payable to the TCS lunchroom. Please label payments with the student's first and last names and send to the lunchroom.

Statements: Will be e-mailed to each family to keep parents aware of account activity. Students whose lunchroom accounts go in the negative will be unable to debit special day lunch meals, break, or snack items until the account has a positive balance. Contact the lunchroom if you have any questions or e-mail mrhodes@trinitydublin.org anytime.
