

TRINITY CHRISTIAN SCHOOL

TEACHING THE TRUTH

April 26, 2021

Dear Parents:

We are fast approaching the end of another great year at Trinity. We appreciate all who have been involved in helping to make this a successful year and to keep in-person learning a reality.

Please review the schedule for the end of the school year noted on the accompanying document. Information concerning Honors Day, exams, and Graduation (for Seniors and K5) is included.

According to the Parent-Student Handbook, (page 7, section XVIII), accounts are to be kept current at all times. *Most of our families do this, for which we are grateful.* As we approach the end of the school year it is most important to be sure you have completed your obligations for this year. We certainly never attempt to embarrass or discourage any student but **in order to take exams, exempt exams, and/or receive report cards, all accounts must be properly settled. This includes tuition, sustaining fee, lunchroom, athletic (including equipment), library, pictures, and any other financial responsibilities.**

It is of vital importance that students are able to take exams at the scheduled time. **Please ensure that your entire account is settled by Friday, May 7.**

For any accounts that remain unsettled, RenWeb ParentsWeb will be inactivated on May 17, exam grades will not be accessible, and final transcripts for seniors will not be sent to colleges.

Thank you again for the opportunity to work with your child this year. It has truly been a great year of learning for all of us. We trust you will have a restful summer and will anticipate another wonderful year at Trinity in 2021-22.

Sincerely,

Stan Couey
