## White Coat Ceremony Held In Savannah

On Sunday, August 15 Mercer University School of Medicine in Savannah held its White Coat Ceremony. Christopher Rogers and Casey Morris of Dublin took part in this ceremony. The White Coat Ceremony is designed to clarify for students, prior to their entrance into the medical community, that a physi-

cian's responsibility is to take care of patients and also to care for patients. Both Chris and Casey are part of the MUSM Class of 2015.

Family and friends joined in a reception that followed the cloaking of the Class of 2015 in the atrium of the Hoskins Center for Biomedical Research. (Special Photo)

Chris is a 2007 graduate of Trinity and the son of Robert and Patricia Rogers. He earned his Bachelor of Science degree and was a kicker for the Eagles football team while attending Georgia Southern University.
