

Dear Pastor/Educator,

Thank you so much for taking the time to write a recommendation for one or more of our TCS students interested in attending the TCS Mission Trip for 2019. We want to make sure that we do diligence in choosing those for the Mission trip. We want to make sure each student has the right reasons for going on such a special trip. When filling out this info and writing the recommendation, please be honest in your evaluation. Please try and think through whether or not this student is ready to go into a third world environment to serve and sacrifice for the Lord. We have a few questions we would like for you to address by checking the appropriate box when you are making your recommendation. Please add any comments if needed.

Please send this back in the sealed envelope. We promise that the info you write will be confidential.
