

# TRINITY CHRISTIAN SCHOOL

Dear Parents,

We hope you are all having a great summer. We are sending out this letter to announce the 2019 Dominican Republic Mission Trip. The dates are Thursday March 28<sup>th</sup> - Wednesday April 3<sup>rd</sup>. We are transitioning fully to a new format for payments and paperwork that SCORE International is using now. This format is called Managed Missions.

In this Packet you are receiving today you will have 2 forms:

## **Admission Policy**

## **DR Reference Sheet**

On Tuesday August 14<sup>th</sup> your son/daughter will need to turn in the signed Admission Policy, A sealed envelope from there reference, and there 1-2 page essay. The paperwork needs to be turned in by 3:20pm to be considered for the trip. No late paperwork will be excepted.

The DR Team will be announced Monday August 20<sup>th</sup> on Mr. Grooms door. We will have a required DR parent and student meeting Tuesday August 28<sup>th</sup> at 6:00pm in the computer lab. At the time of this parent meeting there is **a \$500 non-refundable fee that will be due.**

At the meeting we will have all parents do the Application on-line before they leave as well as have Mrs. Betty Rose Payne in attendance to notarize the Parental Consent Form.

We are sending this information out this early for 2 reasons.

- 1- Each potential participant and family will have time to pray through whether or not God is calling them to participate in the DR Mission Trip for 2019.
- 2- That each possible participant can begin saving up money for the initial \$500 non-refundable fee due on Tuesday August 28<sup>th</sup>.

After the initial \$500 fee written to TCS, all other money will be paid directly to SCORE in Managed Missions. All due dates and payments will be on-line through Managed Missions. It will be your responsibility to keep up with all deadlines given by SCORE through Managed Missions. If Due dates are missed, after a certain time SCORE will remove the student from the system.

We are excited about this new way of doing things through Managed Missions. If you have any questions feel free to call us anytime this summer.

Thank You

Chuck And Wes
