From the Head of School

As you review the 2024–2025 annual report, the achievements that our students earned were remarkable. We had state champions, state and national recognition, and another stellar graduating class. Trinity Christian School enjoyed success at the highest level.

The sustain successes that TCS has experienced is accomplished with many complimentary components. We have talented students, gifted teachers, and supportive parents. In addition, Trinity benefits from support from our athletic booster club, our parent-teacher fellowship, and our community. The awards and recognitions that are highlighted in this report are a direct result from a strong school community.

This past year, Trinity engaged with its new strategic plan. The plan encompasses many areas of the school, but it is focused on “elevating” our students and schools in three primary ways. Our strategic plan will emphasis more effort to engage our community, expand our curriculum, and enhance our campus. A summary of our strategic plan is included in this report.

We are grateful for your partnership with Trinity Christian School. Thank you for your support and your commitment to our mission. Trinity has much to be thankful for over the past school year, and we are excited about its future as we continue to encourage students in their relationship with Jesus and being more like Him each day.

Sincerely,
Larry Collins

From the Chairman of the Board

Dear Trinity Families,

I welcome each one of you back for this exciting 25/26 school year. For those new to Trinity, we are so happy that you have chosen to join our faith and school family. I am so pleased with how hard our staff has worked to prepare for this school year. Their dedication to our mission of providing a quality education in a safe, diverse, and Christ-centered environment is what makes Trinity Christian School a premier destination for Christian education. My commitment to parents is that we will strive every single day to achieve excellence in academics, leadership, sportsmanship, and character. Moreover, our faculty will walk alongside your students to ensure they have the tools to grow spiritually in their walk with Christ.

Our Head of School and the Board of Directors work together to provide the best possible environment for all students, faculty, and staff to flourish. For over 50 years now, Trinity has experienced firsthand the blessings of God through the prayer, time commitments, and financial sacrifices of our families. I encourage everyone to seek God's guidance and make a commitment, whether it be praying, volunteering in academic or athletic departments, or giving financially to the long-term growth of the school. Most importantly, I challenge all of us to remain steadfast in our commitment to pray for the continued success of Trinity Christian School.

Over the past year, your Board, Head of School, and Department Heads have worked through the process of finalizing our long-term strategic plan for Trinity. The vision and goal of this plan is, in fact, to elevate our Crusaders. This forward-thinking approach looked ahead to meeting the needs of our school and families for years to come. Two of the objectives we accomplished with this plan were: 1) we wanted our families to see exactly where their dollars will be spent, and 2) we wanted to have the flexibility to begin work when line-item fundraising objectives have been met. You will have the opportunity to donate to a single project line item or make a general donation. We are so excited to get these projects off the ground and get these improvements completed as soon as possible. I ask each family to pray for God's blessings on this fundraising effort and pray about how you can help us reach our goal.

In closing, I would like to thank every family for committing to be a part of Trinity Christian School. My prayer is that every day is your best day!

Sincerely,
Richard H Dailey

Academic Acheivements

Trinity Christian School continues its efforts to provide a premier education to its students. Our curriculum is continually reviewed to insure the preparation of our students for their next steps in life after their Trinity experience.

Our students are administered numerous standardized tests to monitor their progress. Students in 1st through 8th grades take the Iowa Assessments Exam (IA). Students are required to take the PSAT in preparation for the SAT.

Trinity students' test scores have enabled them to pursue their post-secondary degrees at the colleges and universities of their choice, with many being accepted during the early admissions process.

Iowa Assessments Exam (IA)

Trinity Christian School annually administers the IA to EVERY student in 1st through the 8th grades. Our students continue to out-perform the majority of students who are administered this test throughout the United States.

Fundraising Efforts

As in all independent schools today, additional, private support is an essential element in providing financial stability. The cost to educate a child continues to rise, and the task of providing an exceptional education within tuition constraints becomes increasingly difficult. Fundraising efforts provide the resources needed to offer the best possible environment for our students, the latest in technology, and the educational and extra-curricular opportunities necessary to provide a complete education. Trinity Christian School operates annual fundraisers, a yearly Annual Fund, as well as major gift and capital campaigns to meet the needs of the school and its students.

Parent Teacher Fellowship

Through fundraising efforts, this organization generates funds to help offset operating expenses. The PTF provided Bibles for graduates, Sock Hop entertainment, AR prizes, and Elementary Splash Day inflatables.

TCS Athletic Booster Club

The TCS Athletic Booster Club provides auxiliary funding for the support of our athletic programs. Their direct contribution to the TCS operating budget offsets expenses incurred through the athletic department.

Non Tuition Revenue	Amount
Annual Fund	\$27,532.00
Auction	\$39,428.00
Capital Campaign	\$8,736.00
Athletic Booster Club	\$46,000.00
Parent Teacher Fellowship	\$11,613.00
Total	\$133,309.00

The 40th Annual TCS Auction was held last spring and the income generated from items sold is used to supplement tuition income to provide for the growing needs of our school.

Annual Fund

Trinity Christian School has been blessed by individuals who understand the value of the Trinity experience. These families and friends recognize the need for additional financial support for the school to continue its commitment to excellence and the continued provision of opportunities for its students. The goal for the Annual Fund is \$100,000 in donations and 100% participation of Trinity families. Achieving these goals allows Trinity to pursue additional funds available from grants and other resources. We acknowledge those who participated in the 2024-25 Annual Fund Drive running from June 1, 2024 through May 31, 2025. Financial Aid

Continued good enrollment numbers at Trinity are attributed to several factors, one of which is a balanced Financial Aid program approved by our Board of Directors. This program has three specific areas: GOAL Scholarship, Tuition Assistance, Pastor Partnership. It is designed to help bridge the gap for families who demonstrate financial need and desire the environment our school provides.

- 193 students from 121 families received Financial Aid through these programs during the 2024-25 year.
- The Financial Aid provided to families through these programs included the following:
 - * GOAL Scholarship \$473,717 (at no cost to Trinity as these Scholarships were funded by redirected tax dollars contributed to GOAL)
 - * Tuition Assistance \$83,568
 - * Pastor’s Partnership \$79,456
- The revenue generated from 2024-25 Financial Aid was a total of \$1,475,957 (\$1,002,240 from families and \$473,717 from GOAL).
