## Summer Reading 2022 Middle School

**Please read this document carefully.**

Realizing that reading and writing are fundamental skills needed by every student and are essential to succeed in a very competitive world, the academic team at Trinity strives to deliver the best instruction in these areas that we can provide. With God's blessing and guidance, we have been able to build a solid curriculum that meets these goals. As part of that curriculum, each Trinity student entering grades 6-12 will complete summer reading that includes reading and interpreting literature. The reading list for this project includes one book from the Bible and one literary selection.

### **Required and Selected Literary Reading:**

*Over the summer the students will NOT have to complete a writing assignment. However, the student must have read the assigned work thoroughly in order to complete a graphic organizer and write a book report in class in August. Therefore, the student must demonstrate knowledge of characters, setting, plot, and theme.*

*Students will receive a quiz grade for the graphic organizer and a test grade for the book report.*

*A full-text hard copy of the novel will be necessary for the completion of both assignments.*

## **2022 Middle School Summer Reading List**

**6<sup>th</sup> Grade:** *Bridge to Terabithia* by Katherine Paterson

**7<sup>th</sup> Grade:** *Number the Stars* by Lois Lowry

**8<sup>th</sup> Grade:** *The Hiding Place* by Corrie Ten Boom

Note: Teachers will be checking SparkNotes and online sources to ensure no plagiarism has occurred. Please ensure your child does his/her own work.
