

New Family Referral Program

We would like to thank current TCS families for promoting and spreading the word about all the wonderful things that TCS has to offer. Word of mouth recommendations are the best way to promote our school.

How it works: Parents/Guardians will receive a \$250 tuition credit for each new family they formally refer to TCS (up to 4 families per school year). Tuition credit will be applied to the referring family's account after the new student has been accepted, completes enrollment, and attends school.

Eligibility: Parents/Guardians with an enrolled student and paying tuition to TCS are eligible to receive the referral credit. The credit does not apply when referring a sibling of a currently enrolled student.

Rules:

- Referring family will have to be identified on the online application in the "How did you hear about us" section.
- Notifying the Admissions Office or sending an email after the application has been submitted does not meet the eligibility requirement. Referrals may not be made retroactively. **No exceptions will be made to this requirement.**
- The referred family cannot be in the school's database concerning a previous enrollment or have a child who was previously enrolled at TCS.
- The new family must enroll and attend TCS before the tuition credit is applied.
- Enrollment criteria for the new student must be met. The final decision for family acceptance comes from school administration.
- Referring families may earn up to four (4) referral credits per school year.
- The tuition credit will be applied to your overall family tuition bill, not toward each child within your family. If you have paid your tuition in full for the year, the credit will be applied toward the next school year tuition.
