

SUSTAINING FEE INFORMATION

"TEACHING THE TRUTH"

Families DO NOT have to sell Auction Tickets to be placed in the Spring Auction Drawing.

This means for families that usually buy their own tickets, you will NOT have to fill out all 32 tickets for your chances to win.

*(Although, families that wish to sell tickets to help offset the cost of their sustaining fee may still do so, **BUT** they will need to contact Beth Traxler at btraxler@trinitydublin.org or 478-272-7699 to arrange for ticket pickup.)*

- The Sustaining fee is \$800 divided into 2 equal payments of \$400 due December 1st and May 1st.
- The December installment = 16 Chances to win the Spring Auction Drawing on March 24, 2023!
- The May installment = 16 Chances to win Spring Auction Drawing on March 24, 2023!
ONLY IF PAID IN FULL BY MARCH 15th

(Any portion of the \$400 May installment paid prior to March 15th will provide the corresponding number of chances to win the Spring Auction Drawing.)

- Families will be **AUTOMATICALLY** placed in the 2023 Spring Auction Drawing for the amount of their Sustaining Fee which has been paid by **March 15th**. *SEE EXAMPLE BREAKDOWN*

Example Breakdown:

Sustaining Fee Paid Dec 1st- \$400 (16 chances in Auction Drawing)

Sustaining Fee Paid by March 15th-\$250 (10 chances in Auction Drawing)

Total paid by March 15th-\$650 (26 Total chances in Auction Drawing)

Remainder of Sustaining Fee Due May 1st-\$150 (NO CHANCES TO WIN)

\$25 = 1 Chance

To minimize the impact, families also have the opportunity to pay a portion of the Sustaining Fee each month.
