11th and 12th Grade students who are enrolled in English Dual Enrollment Courses do not have summer reading assignments. They still have to complete their Bible summer reading assignments.

Each student should read his or her assigned book during the summer and be familiar with it when the school year begins. Upon returning to school in August, each student must be prepared for an in-class assessment and an in-class writing assignment over his or her assigned book. Happy Reading!

Middle and High School Bible

6th Grade: The Christian Worldview

- **SCRIPTURE READING: GENESIS**
